SIR,

*War Department, Pall Mall, 9th May, 1856.*

I HAVE the honour, by order of the Secretary of State for War, to acquaint you, that from and after the 1st ultimo, the allowance for hire of furniture, granted under Art. 20, p. 16, of the Royal Warrant of 1848, to Officers of the General and Medical Staff occupying unfurnished houses or apartments belonging to or at the disposal of Government, shall be limited to two-thirds of the rates of the allowance specified in the preceding Article; and any charge for the same must invariably be supported by a certificate that the amount claimed was actually and necessarily expended in the hire of furniture for the period.

I have the honour to be, Sir,

Your most obedient Servant,

H. R. DREWRY.

A.—55.

*Horse Guards, 21st October, 1856.*

THE accompanying Extract from the War Office Circular, dated 23rd November, 1829, No. 649, defining the crimes which come within the category of "Disgraceful Conduct," is republished for general information and guidance.

By Command.

G. A. WETHERALL,

*Adjutant-General.*

"I have further to call your attention to the amendment made in the 70th Article of War, in which 'Disgraceful Conduct' is declared to mean any offence of a disgraceful character; and that Soldiers may be tried under this Article for repeated offences, which may render them unworthy of being retained in the Service from vice or misconduct.

"The penalty of forfeiture of Pension for Disgraceful Conduct was introduced into the Mutiny Act of this year in consequence of numerous instances having occurred in which Soldiers guilty of infamous and vicious crimes, and disgracefully discharged for such crimes, were pensioned for life.

"In order that the practical application of the words 'Disgraceful Conduct' and offences of a 'disgraceful character' may be liable to the least possible misconception, and that Soldiers guilty of unmilitary conduct,

of neglect of duty, and of other offences distinctly specified in the Articles of War, may not be tried under and be subject to the penalties of this charge. I have to state that 'Disgraceful Conduct' implies confirmed vice, and all unnatural propensities, indecent assaults, repeated thefts and dishonesty, ferocity in having maimed other Soldiers or persons, self-mutilation, tampering with the eyes, and all cases of confirmed malingering, where the conduct is proved to be so irreclaimably vicious as to render the offender unworthy to remain in the Army.

"If the misconduct be unsoldierlike or immoral (divested of infamy), and the particular offence be not specified in any Article of War, in such case a remedy for the punishment of the offence is provided for by the 67th Article of War."

I have, &c.,

(Signed) H. HARDING.

PROSPECTUS of the next Examination for Admission to the  
ROYAL MILITARY ACADEMY at Woolwich.

N.B.—No more direct Appointments will be made to Provisional Commis-  
sions in the Royal Artillery.

*War Department, Pall Mall, 14th November, 1856.*

AN Examination for the admission of Cadets to the Royal Military Academy at Woolwich will be held in London in the month of June, 1857.

Provided a sufficient number are found competent, thirty admissions will be made to that Institution; candidates must be between the ages of 17 and 20 years. Those, however, who have not exceeded 20 years of age on the 1st January next, will not be considered disqualified. The successful candidates will remain under instruction until they are sufficiently advanced in scientific knowledge to pass a satisfactory examination, and they will then

receive Commissions in the Royal Artillery or Royal Engineers. They will be required to pay a sum of 22*l.* 10*s.* on admission, to cover the expense of uniform, books, &c., and a contribution of 62*l.* 10*s.* for each half-year of the time during which they remain at the Academy. The half-yearly contributions, however, for sons and orphans of Naval and Military Officers, will be regulated at the following rates, as heretofore:—

|                                                                                                                                            |     |

| „ sons of Captains and Commanders of the Navy, and of Colonels and Regimental Field Officers of the Army ..                                | 30  |
| „ sons of all officers of the Navy and Army under the above ranks .. ..                                                                    | 20  |
| „ sons of Officers of the Army and Navy who have died in the service, and whose families are proved to be left in pecuniary distress .. .. | 10  |

The sons of General Officers paid only on their Commissions as Field Officers will pay the same contribution as the sons of Field Officers.

The sons of Officers on full and half-pay will pay alike; but the sons of Officers who have voluntarily retired on half-pay, or received the difference, will only be admitted on the terms prescribed for the sons of private gentlemen, viz., 62*l.* 10*s.* for each half-year.

The sons of Officers of the Civil Departments of the Army are admissible to the Academy, upon the same terms as those prescribed for the sons of Naval and Military Officers.

The admissions will be determined by the result of a competitive examination, the subjects of which will be as follows:—

|                                                                                           | Marks. |

| Ditto ditto ditto of Germany ..                                                           | 750    |

Moral and Political Sciences .. .. 1,000 |

Drawing, *i.e.*, Elementary Geometrical Drawing, including the use of Drawing Instruments, and either Machinery, Architectural, Engineering or Landscape Drawing .. .. 1,000 |

No candidate will be allowed to be examined in more than five subjects, of which one must be Mathematics, and no one who does not obtain at least one-fifth of the allotted number of marks in this subject will be eligible for an appointment.

From the other subjects of examination each candidate may select those in which he desires to be examined; but no one will be allowed to count

the marks gained in any subject, unless those marks shall at least amount to one-sixth of the total number of marks allotted to that subject.

No candidate will be admitted into the Royal Military Academy unless he obtain an aggregate of 3,000 marks at least.

Any candidate who shall not select French and Drawing among the subjects for his examination, will be required to satisfy the examiners that he has such knowledge, at least of the elements of those two subjects, as shall afford reasonable expectation that he will perfect himself in both during his residence at the Academy.

The following papers will be required to be transmitted by each gentleman to the War Department, before the 1st June, with his application to be noted as a candidate, unless he shall notify that he has been a candidate at a previous examination, in which case the statement of subjects only need accompany the application :—

1st. An extract from the register of his baptism, or, in default of that, a certificate verified by affidavit.

2nd. A certificate of good moral character, signed by a clergyman of the parish to which he belongs, and by the tutor or head of the school or college at which he has received his education for at least two years, or such other proof of good moral character as will be satisfactory to the Secretary of State.

3rd. A statement of the subjects of examination in which (in addition to Mathematics) he may desire to be examined.

All candidates will be required to present themselves at the place of examination, hereafter to be determined, in order to be inspected by Military Surgeons, that it may be ascertained that they are free from any bodily defects or ailments calculated to interfere with the performance of Military duties.

Notice will be given a month previously, in the public papers, of the place and days appointed for holding the examination.

6 West York —Charles Musgrave Norris, Lieut. vice Maher, app.  
to the Glamorganshire Mil. ....27 Sept. 1856

**The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :**

## **Regulations respecting Foreign Orders.**

**1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.**

**2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.**

**3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.**

**4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.**

**If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.**

**5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.**

**A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.**

**6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.**

**When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.**

**7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.**

**8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.**

**9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.**

**10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.**

**Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.**

## **Regulations respecting Foreign Medals.**

**1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.**

**2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.**

**(Signed) CLARENDON.**

**Foreign Office, May 10, 1855.**

# BANK OF DEPOSIT,

**No. 3, PALL MALL EAST, LONDON.**

ESTABLISHED A.D. 1844.

**CAPITAL STOCK £500,000.**

THIS Association is composed of two distinct and separate branches : the one comprising the business of a **BANK OF DEPOSIT** for the Investment of Capital ; the other, the ordinary transactions of **LIFE ASSURANCE**.

## **BANKING DEPARTMENT.**

The object of this Department is to afford a safe and easy mode of Investment, and to effect important improvements in the present system of Monetary economy, both as regards the security afforded to the Public, and the rate of Interest realized.

The plan of the Bank of Deposit differs materially from that of ordinary Banks, in the mode of investing Capital. Ultimate profit and security being the main objects regarded, the Board of Management principally employ their Funds in Loans upon vested Life Interests, and other similar securities, and in the purchase of well secured Reversions, a class of securities, which, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the most perfect safety.

## **RATE OF INTEREST.**

*The present rate of Interest is Five per cent. per annum, payable half-yearly ; and the Board of Management confidently anticipate that a careful and judicious selection from securities of the above description will enable them to continue this rate to the Depositors.*

## **INVESTMENT ACCOUNTS.**

Money is received daily between the hours of TEN and FOUR o'clock. Investment Accounts may be opened with Capital of any amount, and increased from time to time, at the convenience of Depositors.

A Stock Voucher, signed by Two Directors, is given for each Sum deposited.

## **INTEREST.**

The INTEREST is payable in JANUARY and JULY, and, for the convenience of parties residing at a distance, may be received at the Branch Offices, or through Country Bankers, without expense.

**PETER MORRISON, Managing Director.**

**Prospectuses and Forms for opening Accounts sent free on application.**
